Remark

Customer Signature_____
Date**Maintenance**

All Visual Paradigm license includes a 60 day free upgrade. During the 60 day period, all product upgrades, are included without additional charge.

The Maintenance Agreement for Visual Paradigm products, renewable each year, entitles the licensee to twelve months of free upgrades. The annual cost of the Maintenance Agreement for a Visual Paradigm product is 20% (if the customer purchases the product and Maintenance Agreement together, or if the licensee renews their Maintenance Agreement) / 30% (licensee did not have any Maintenance Agreement or the Maintenance Agreement has been expired) of it's current published list price. For customers who purchased the product and the Maintenance Agreement together, the Maintenance Agreement will start after the free 60 day period.

Phone, e-mail support and LIVE Help are free of charge.

Floating License

All Visual Paradigm's Products support floating license (except Personal and Community Edition). The cost of the floating license is available at 30% on top of its current published list price. When you purchase software with the floating license option, we will send you the floating license server after the transaction was completed.

Disclaimer

All Visual Paradigm products are delivered electronically. Our policy is no refunds once you have purchased the product. Please download and try the evaluation version before purchase. The evaluation version is fully functional; the evaluation version only adds a water mark when printing, copying and pasting diagrams.
